The local business community is a vital part of the Basildon Borough and once again we are offering you the opportunity to attend a series of business meetings during 2012.

It will be an opportunity for businesses to find out what is new in the Borough and have their say on strategic issues.

Attending one of the business meetings will also give you the chance to network with other businesses and speak directly to officers of the Council and other public bodies including business support agencies.

At each event information will be available on new business opportunities and business support initiatives on offer from the Council and it's partners. We would like to speak with you and seek the views of the business community to help shape plans and strategies for the Borough.

To keep the events as current as possible full programme details will be available four weeks prior to each event. We hope you will be able to join us at one or all of the events. There is no charge due to the continued support of our sponsors, however, spaces are limited - if you would like to attend please complete the attached booking form.

If you would like any further information please call Basildon Borough Council on **01268 294230** or e-mail **business-assist@basildon.gov.uk**
